

CENTENNIAL COMMISSION (1947) [180]

DIVISION REPORTS, 1946-1947.

0.35 cu. ft. and 1 microfilm reel

DESCRIPTION: This series is made up of reports submitted to outline centennial celebrations, projects, and activities as well as to summarize the accomplishments of the individual divisions which made up the Centennial Commission. Progress reports and final reports were compiled by nearly all divisions and are the most frequently found documents in the series. Final division reports were attached to the annual report submitted to the governor in December 1947 and later incorporated into the "General Report" prepared as the definitive account of the Centennial Commission's efforts to commemorate the coming the pioneers into the Salt Lake Valley. Some divisions wrote reports about special projects. Examples of miscellaneous reports unique to a single division include the publicity reports of the Publicity and Promotion Division, the budget report of the Beautification Division, the city approaches report of the Beautification Division, the painting exhibit report of the Exposition Division, and the historical brochure report of the Historical Division.

ARRANGEMENT: The reports are arranged alphabetically by division name, thereunder alphabetically by report title.

RELATED RECORDS: Final division reports were used to compile the "General Report" found in series 2228, REPORTS (1947-1948). A Publicity and Promotions Division progress report dated July 19, 1946, missing from this collection, as well as duplicates of progress reports for the Arts, Beautification, and Publicity and Promotion divisions, are found in the "Reports" folder in series 19317, DIVISION CORRESPONDENCE.

CUSTODY HISTORY: Records of the Centennial Commission originally were deposited with the Utah Historical Society, which in 1949 was designated by Governor J. Bracken Lee

as the official repository for the records of the commission. The newly independent Utah State Archives retained custody of the records following its removal from the Historical Society in 1969.

PROCESSING NOTE: Archival processing of these records was completed in January 2000 by W. Glen Fairclough, Jr. The reports subsequently were microfilmed in September 2002.
